

Bind Clip Ties

Bind Clip Ties are a labour saving easy-to-use binders for quick, firm tying of reinforcement. They require no tools, give no off-cuts, and are particularly suited for use in the precast industry as an alternative to tying wire.

The ties are 17 gauge, and are available for 6mm to 24mm reinforcement.

Product Code	To Bind Bars	Pack Size
BBCT68	5/8, 6/8	10000
